Julio Cabos Painting Workshop

November 16th & 17th

T.E. Lawrence, 1917 (S9-B34)

- Julio Cabos -

Julio Cabos, with an international career as a Master Painter of more than 30 years in the world of miniatures, has been awarded gold medals and 'Best of Show' prizes in the most important competitions in the world. Among these awards, it is worth highlighting the 'World Master' award that was given to him at the World Model Expo held in Chicago in 2017 by the 'World Model Soldier Federation'.

Apart from his impressive track record and international prestige, Julio Cabos has extensive experience teaching painting courses around the world. Among his former students we can find great names in the world of figure painting today.

Julio has been the Master Painter of Andrea Miniatures for many years, director of Figure International magazine and author of several books and videos on miniature painting published by Andrea Publishing so we are delighted to have him back for this very special painting course.
